

Honoring Veterans Garden

RECOGNIZE YOUR LOVED ONE

We invite you to honor a U.S. military veteran with a personalized inscription in the Honoring Veterans Garden. This is a unique and lasting tribute to acknowledge the service our distinguished veterans have provided to our country.

Besides being a tangible way of honoring a veteran, donations help provide much needed support for the Pathways Hospice Honoring Veterans Program. This program was developed to provide specialized care for veterans who may experience unique challenges at end of life as a result of their military involvement. The garden is an extension of this program and is an effort to recognize all U.S. military veterans. Please know that your contributions make a difference in the lives of those who have served us and their families.
