**MEMORIAL GIVING
IN HONOR OF
YOUR LOVED ONE**

MAKE A UNIQUE AND LASTING TRIBUTE TO YOUR LOVED ONE

At Pathways, we believe in honoring those who have gone before us by preserving their memory in a beautiful way. Memorial Giving offered by Pathways allows for a tangible way to remember your loved one. Memorial contributions also help provide much-needed support for Pathways programs and services in our community.

PATHWAYS SCULPTURE GARDEN

We invite you to create a personalized inscription on a brick in the Pathways Sculpture Garden Walkway.

Individual or cumulative gifts that total \$500 or more are eligible for this opportunity.

HONORING VETERANS GARDEN

Please consider paying tribute to a U.S. military veteran with a personalized inscription in the Honoring Veterans Garden. This is a unique and lasting way to acknowledge the service our distinguished veterans have provided to our country. Your donation will benefit the Pathways Hospice Honoring Veterans Program, which provides specialized care for veterans who may experience unique challenges at the end of their lives as a result of their military involvement.

Minimum amount of \$500 contribution for veteran name placement in our garden.

PATHWAYS CARE CENTER MEMORIAL TREE

As a way of remembering patients who have passed at the Pathways Care Center, we have “planted” a Memorial Tree.

Memorial tree leaves, inscribed with your loved one’s name, are available when donations in memory of your loved one accumulate to \$500 or more.

Memorial Touch Stone – For a gift of \$1,500 we have limited availability of memorial touch stones which sit nestled under our Memorial Tree and allow for a brief inscription.

With cumulative donations of \$1000 or more in memory of your loved one, an inscribed brick in the Pathways Sculpture Garden Walkway is available in addition to a leaf on the Memorial Tree.

I/We would like to honor our loved one with this memorial gift

\$500: Please select Brick or Leaf

\$1,000: Brick and Leaf

\$1,500: Memorial Touch Stone at Pathways Care Center
