

## GRATEFUL HEARTS PROGRAM

Grateful Hearts is a program  
which allows our families  
and caregivers to express  
their gratitude.

I/We have experienced such warmth, compassion and respect from Pathways staff and wish to show our gratitude by making a donation in honor of those who have so thoughtfully touched our lives.

**I/We would like to give back to Pathways by:**

- ☐ Sharing our story
- ☐ Check enclosed
- ☐ In memory of: \_\_\_\_\_
- ☐ Please contact me with more information about how to include Pathways in our estate plans.
