Message from the President:

Dear Readers,

It is an exciting time at Pathways as we prepare to open our newly built, stand-alone Inpatient Care Center.

The finishing touches are being completed on the building and, once opened, the Pathways Inpatient Care Center will be the only dedicated hospice inpatient facility in northern Colorado.

A stand-alone, intentionally built Inpatient Care Center will allow us to provide high quality, compassionate hospice care in a homelike setting to patients needing hospital-level treatment. The Center will feel like a Colorado mountain lodge, complete with natural light, stone facades, lush landscaping, and work by local artists that reflect the beauty of the communities we serve. Each of the 12 rooms will large enough to accommodate groups of visitors and or two family members overnight.

The additions of the new care center will transform our Carpenter Road property into a campus with the continuum of hospice, palliative and grief and loss care and services.

We hope you will be able to join us and tour the Inpatient Care Center once completed and see for yourself what a wonderful addition this will be for northern Colorado.

Thank you for your ongoing support and always reach out to Pathways if we can be of help and provide assistance and information. We can be reached at (970) 663-3500 or www.pathways-care.org

Nate Lamkin, Pathways President
**Capital Campaign Update**

As of May 31st, the capital campaign to build the Pathways Inpatient Care Center is at $3.1 million toward our goal of $8 million for construction and furnishings.

The generosity of the community in completing the Inpatient Care Center will ensure that Pathways will continue to provide the highest quality of care for our patients in the last phases of life and their families who are with them through their final journey.

We invite you to join us and be a part of our success by making a generous gift to the Inpatient Care Center. By doing so you will help those who will come to Pathways in the future, and honor those who have come before us.

- Gifts can be made in the form of multi-year pledges with payments made monthly, quarterly, semiannually, annually, or on a schedule built to suit your circumstances.

- Gifts can also be made through cash, check, credit card, securities or real estate.

- Bequests and estate gifts are also welcome. Please let us know how we can assist you.

Gifts can be made at [https://pathways-care.org/capital-campaign/](https://pathways-care.org/capital-campaign/) or by contacting Pathways at (970) 663-3500.

We invite you to schedule a virtual or in-person meeting, or a tour of Pathways to find out more about Pathways and the Inpatient Care Center.

Volunteer Orientation
Pathways recently held a Volunteer orientation and training, welcoming 12 new volunteers into the program.

Volunteers at Pathways provide a variety of support ranging from companionship for patients and respite for their family members as well as administrative and event support.

If you are interested in becoming a Volunteer for Pathways please contact Deb Hayman at deb.hayman@pathways-care.org or (970) 663-3500

Home of a Healthcare Hero
Pathways recently honored and thanked their teams of caregivers with Home of Healthcare Hero yard signs.

Volunteers delivered a yard sign to each member of the Pathways staff including Physicians, RNs, Social Workers, Chaplains, CNAs and Administrative professionals to say “Thank You” for all they do to care for our patients and their loved ones.

Thanks to all of our Team members – you truly are Healthcare Heroes.

Veteran Recognition
National Vietnam War Veterans Day was on March 29 and recognized veterans who served in the U.S. military during the Vietnam War.

The Vietnam War Veterans Recognition Act of 2017 was signed into law on March 28, 2017 to officially recognize March 29 as the National Vietnam War Veterans Day. The act encourages the display of the U.S. flag each year.

March 29 marks the day the last combat troops were withdrawn from Vietnam in 1973.

National Vietnam War Veterans Day is an opportunity to recognize and give thanks for all who served during the Vietnam War, including those who were wounded, gave their lives, or went missing.

Please join us as we remember and honor all those who served our country in Vietnam.

If you are interested in becoming part of the Veteran Recognition Team please contact Deb Hayman at (970) 292-2378 or at deb.hayman@pathways-car.org
Art Opening April 1

Spring Explorations Show Opening

Art making in the presence of others offers an opportunity to connect and explore loss within a community of fellow grievers. In March, Pathways hosted 4 art-based workshops for adults, participants were invited to use a variety of art materials to express their unique experiences of grief and loss.

On Friday, April 1, Pathways hosted a free exhibition of the artwork created throughout the workshops. The contributing artists and the public had a place to connect, share their art, experience of creating, and their loved ones.

National Volunteer Week

With gratitude to the Pathways Volunteers we celebrated and honored them during National Volunteer Appreciation Week, April 17 through April 23.

Pathways volunteer appreciation brunch was held on April 18. Volunteers are the heart and inspiration of our mission. With it beats the spirit of our service, generosity and compassion... and the health and well-being or our community.

Thank you to all of our volunteers!
