

*Volunteering with Pathways may be one of the most fulfilling things you ever do... You will make a difference—one life at a time.*

PATHWAYS IS CURRENTLY LOOKING FOR VOLUNTEERS WHO WOULD LIKE TO SHARE THEIR TIME AND TALENTS TO OUR AGENCY, OUR STAFF AND OUR PATIENTS.

When you volunteer with Pathways, you join a circle of like-minded hearts and minds working together toward a greater purpose. Our volunteers are appreciated, not just for what they do, but for why they do it.

Volunteers truly are at the heart of Pathways care, providing support to patients, families and Pathways staff. Today, over 150 volunteers work in almost every department of Pathways.

*“Volunteering for Pathways has been such a rewarding experience! I have been privileged to comfort many wonderful people during a very difficult time in their life through support and friendship. The folks I have worked with are so appreciative and I have valued the time I have spent with each and every one of them.”*

*-Sandy Bailey (volunteer since 2009)*

Whatever your skills, interests and motivations, our communities are strengthened by your volunteer involvement.

Thank you!
